

# THE "BULLET-IN"

A NEWSLETTER FOR THE MEMBERS OF  
OAKDALE GUN CLUB - ESTABLISHED 1964  
EDUCATION - COMPETITION - FAMILY FUN

**Volume 57**

**April 2021**

**Issue 04**

## SPECIAL NOTES:

### OGC Website Update

The current Oakdale Gun club website is not working and we plan to move to the new website in April, until we make the change Members will not be able to log into the old site. Sorry for the inconvenience.

### OGC Bullseye Director is looking for Volunteers

We have matches on:  
May 2 (caller and 1 RSO needed)  
June 5 (caller and 1 RSO needed)  
June 6 (1 RSO needed)  
June 27 (caller and 2 RSO's needed)  
July 25 (caller and 2 RSO's needed)  
August 15 (2 RSO's needed)

The volunteers will be credited 9 hours for each event.

They should contact Kent via email at [ogcbullseye@gmail.com](mailto:ogcbullseye@gmail.com) or by calling the number below.  
Kent R. Edwards  
Bullseye Director  
(651) 343-6928

### Members need to maintain Club Grounds

We needed 3 people to take care of the ranges. Each person would be responsible for 2 ranges. Keeping them clean, picking up brass, emptying the trash and stocked with wire. Checking the lights. This would be your 18 hours of range duty. Dates May -Sept. Once a week.

We also need a member who would like to get their service hours by cleaning the restroom by the classroom, once a week.

Contact Dean Cody  
[Grounds@oakdalegunclub.org](mailto:Grounds@oakdalegunclub.org)

## President's Notes

### April 2021

With the Corona virus almost under control the governor has loosened his restrictions on gatherings. With the opening day of the Twins baseball and graduations on the horizon I suspect more changes may be in the offing. Last week the CDC reduced the six foot social distancing requirements for schools to three feet. Changes are in the air.

Having said that, the one thing that remains for us at Oakdale is the social distancing requirements of six feet between individuals and or family groups. The room capacities have been extended to fifty percent but current social distancing mandates of six feet remain.

With the spring weather brings many improvements to our facilities. Presently we have an aggressive plan to accomplish as many American with Disabilities Act (ADA) improvements as time and weather permit. Almost all of these are minor changes that make access improvements. Please be patient with the construction efforts.

**Tom Mader**  
**President OGC**

## Getting to know your OGC Board Members

Continuing our series on “Meet you OGC Board”

### Tom Acheson, Match Director OGC

#### **1. Tell us a little bit about yourselves beyond your position on the OGC board?**

Beyond OGC, I am retired, have (3) kids, aged 44 to 51 years and (6) grandkids, aged 13 to 22 years, one of which just graduated college. I grew up in White Bear Lake, got married there and eventually moved to Maplewood in 1975. We have been married (53) years. A local cop friend helped me buy my first gun, a S&W Model 19, .357 Mag. A friend (an OGC member) and fellow Wyoming Mule Deer hunter, helped me join the club in 1978. I shot handgun silhouette the first year the club hosted those types of matches in 1979.

I served as Executive Officer (changed to Chief Match Director in the early 2000's) starting in 1979 and stepped aside in 2000. I rejoined the Board in 2012. That same year I shot a benchrest match at the NRA Whittington Center in Raton, New Mexico. Lyman had me write a chapter in their Cast Bullet Handbook, 4th Edition.

**2. What activities besides shooting sports are you interested in?** I read extensively non fiction books focused on American World War II fighter aircraft. Building scale models of those aircraft is also an ongoing interest. I used to play golf now and then but recently match shooting has displaced the golfing. I walk 3-miles daily and in the summer do 20-mile bike rides on the Gateway Trail, having done (76) of those in 2019.

**3. What is your favorite aspect about being part of the OGC?** One of the highlights of being involved with the OGC is meeting new people, discussing firearms, hand loading and shooting/hunting interests. Except for the Frozen Chosin match, all I shoot are cast bullets, rifles and handguns.

**4. What is one thing most people do not know about you?** I started my employment as a draftsman. Eventually I found myself involved in sales roles. One aspect of that required working with purchasing terms and conditions. Sellers have their own T&C's and Buyers have their own version of T&C's. There cannot be two T&C's governing a purchase. So a negotiated mutually agreeable version must be developed. That's what I did, working with purchasing managers and their corporate lawyers, for the final 12-years of employment. That was one educational experience! If someone had told me when I first started working, that way down the road that I'd be filling the role of a small company “lawyer”, I would have told them they were crazy!

Just like sales, in legal interactions, you meet lots of different people and you modify your own expectations to find ways to work with the other person. I'm not a college grad but that legal exposure was a great teacher. I retired in Jan. 2019, after working at the same company for (41) years.

**5. As part of the Board, what do you hope to accomplish for the members?** It is my goal as a Board member to help our individual Match Directors put on safe, enjoyable and competitive shooting matches. Also, to help the Board with special projects where needed, that are beyond the Chief Match Director role.

## OGC March Board Meeting Minutes

### OGC Board Meeting March 10, 2021

#### Meeting opened at 7pm

Board members present were Tom Mader, Thomas Baker, Duane Wilhelm, Bill Gacki, Charlie Ames, Tom Acheson, , Dean Cody, Dave Duepner, Herb Owen, Gail Angone, Thomas Schaeffer, Daryll Olson, Terence Derosier, GM Teresa Reiter and Tom Etzel. Absent was Patrick McNeil.

**Permit to Carry Class Limits:** Per EO 21-107 from the Gov. the class limit for indoor group size was updated to allow 25% capacity with 6 foot spacing. Per the Fire Dept. the classroom size max is 68 so the number of persons allowed in the classroom is 17 for now. The permit instructors had requested to Increase the sizes. Tom B made Motion to increase the size from 10 to 17 Dave second and after discussion all voting aye.

**Trap Certification presentation:** Several had previewed the new Trap training DVD created by Joe Moreno. They were impressed with the content except some felt it was a little long. Tom M was impressed with the testing of the material learned and the way the person interacted with it. . Everyone that saw it thought it is great training for our trap. It could also be set up for our new web site. Joe and his team would be happy to do other presentations such as new member training, and RSO training when open to the public. With a DVD it would be possible to have a disk for each member to use. Daryll had an opinion that this would require a team due to the amount of work required. Discussion followed with lots of positive ideas for this type of training.

**Gail Report on Wet Toilet investigation.** Tom B, Gail, Herb and Dean are the committee looking at this project. While out at the range they thought about using the building storage west of the classroom which is currently used for storage. It would require new storage for the trap birds. There would be some storage left, based on the current plan, to store the equipment. Positives are heat, air and electric are there already so would only need to update the system. Discussion followed on the plan. Some ideas asked about is having an additional classroom., storm shelter. Tom M complemented the group on the work done. He suggested having Herb, Long Range Planning, involved to look at the ideas of another classroom, and a bird storage garage long term.

**Tom Baker Scheduling update:** Has all the scheduling set up for scheduling RSO. He found out there was need for gate guard so he accidently sent out Eblast to all member for gate guard and had a huge response. This has been corrected. Sign up for service hours has been going well. Dave Duepner Legislative: attending Lake Elmo council meetings. Gail has 4 persons to attend Lake Elmo council meetings. Dave is responsible for 6 of them. Has sent out an Email on the council changes. They are mostly looking at info-structure of the city of Lake Elmo Council sessions use to be very long meetings with controversies. They have calmed down in the last three years. He mentioned there is a need for a member to join the capitol improvement committee in Lake Elmo. The person would need to be a Lake Elmo resident and have a three year commitment. There is no plan for sewer or water close to the club in the immediate future.

## OGC March Board Meeting Minutes (Cont.)

**Terry Derosier Youth:** He outlined his plans for 2021. He has done 3 Instructor Training sessions. There are over 60 club instructors on his list. He also has a training session set up for the on-line field day in the classroom. Due to Covid there is a backup of people needing to take the field course. He is scheduling many different classes. 75% of the parents of FAS students are interested in receiving information on joining the club. He had one youth advisory committee meeting that ended up creating the youth 22 cal family shooting event. He has scheduled April 24, May 8 and June 18 for those events.

There is a need for RSO to help run the events. He wanted the family shooting events to be open to the public. The Board will allow the events to be open to the public. He has ideas for a class on Adult youth intro to firearms that would meet on Wednesdays and Thursdays in June. Week 1 would be Long guns and how RSO work on the range. Week 2 would be 22 rifles shooting. Week 3 would be Shotguns on the novice and open trap range. Week 4 would be handguns and shooting on the range. If popular it maybe could be extended into future months. He is looking for guidance on how to work this event. He would like to charge for it and use the money to fund the events. The Board indicated the money should be given to the club and any funds he needs would be received from the Treasure. Charlie indicated the club has several target 22 target rifles that could be used for his program. It would be great if club members could bring in some of their guns and contribute to this program. He has the 22 family event on the calendar. The people at the event would have to sign the club waiver. Terry would have to fill out a facility use form for public events at club. Terry had questions about getting targets for his use. He would like targets that make a sound or move. Tom M has some targets used during the picnic that could be used. Terry also thought it would be great to have an open house event in August, After the County Fair.

**Tom E IT:** He still has open issues that need to be corrected by the provider before the new web site comes up. He tentative has a site line of March 17 and will communicate to the Board what is happening. Neil invites any Board members to contact him to run thru stuff he has been working on for them.

Some Board members have had problems with the new Email system. The group working on the web is the same people working on the Email. Charlie indicated he has had a problem getting on the new system. Tom E indicated he will be willing to help get Charlie on line.

Thomas Schaeffer said items for the Newsletter should be to him by March 25.

Motion to adjourn Meeting adjourned. 9:05PM

**Duane Wilhelm, Secretary, OGC**

## Legislative Update

We are at the Easter Break for the Minnesota Legislature which is a milestone for committee hearings. Any proposed legislation that would advance on its own has to have been heard in both the House and Senate committees by this point. The good news is, no gun control legislation has met that requirement. That doesn't mean items won't be added as amendments to omnibus measures later, so more to come.

Two new anti-gun bills have been added this session:

Extreme Risk Protective Orders (aka Red Flag Firearm Confiscation) (SF1431; HF1654). This is the bill which allows court-ordered confiscation of your firearms after someone (family, neighbor, or law enforcement) has made a complaint that you are a danger to self or others.

Ban the carrying of firearms at the State Capitol Complex (SF2048). This ban would make it a felony for anyone to possess a firearm, ammunition, or explosives in any state building within the Capitol area.

At the federal level we are seeing additional effort to ban so called assault weapons, ban high-capacity magazines, expand background checks, and register firearms. President Biden has not ruled out taking Executive Action, but so far that is not defined.

Tuesday, April 5<sup>th</sup> is GUN OWNER LOBBY DAY. This will be via Zoom and Facebook. Go to <https://www.gunowners.mn/gold2021> and sign up if you would like to be a part of this. MN Gun Owners Caucus has information on how to participate.

Again I encourage all members to go to the Bill Tracker and Action Center of the Minnesota Gun Owner's Caucus website (<https://www.gunowners.mn/>). The Action Center has highlights key legislation and features a quick way to send your senator and representative an email showing your support or disapproval on pending legislation.

Send me an email with any questions or suggestions.

Dave Duepner

## **2021 Introduction to Firearms for Women**

Please Note: This class may be cancelled due to COVID-19 Restrictions. Due to safety reasons, it's completely impossible to keep the social distancing of a 3-6 foot space between the students and Instructors for both Sat. "hands on" session and live fire range session.

Do you want to learn about handguns, rifles and shotguns?

This 1 evening + 1 day informational workshop, taught by certified safety instructors, is a way for Women to get their basic questions about firearms answered in a safe, friendly, casual, women-only classroom environment.

Note: Instructors include both Female and Male.

The workshop consists of one evening and one full day: evening is classroom discussion and presentations, and Saturday morning is "hands on". Then experience an afternoon of live fire range time on Saturday afternoon.

You do not need to have any previous shooting experience to take this class or own a firearm.

A wide variety of firearms will be provided at no extra cost for those who wish to try them during the range session. This course neither promotes the ownership of firearms nor will any firearms be offered for sale during the course. This class is open to the public. You must be at least 18 years of age to take this class, unless accompanied by a parent. Other restrictions may apply.

The cost of this course is \$50.00 (includes: class materials, firearm rentals and ammo) and must be pre-paid to hold your registration.

The class is limited to 25 women on a first come basis.  
This class is only held once a year.

The 2021 Class has been scheduled.

Wednesday June 16th from 5:30 pm to 9 pm in the classroom at OGC

Saturday June 19th from 9:00am-12:00pm "hands-on" in the classroom with lunch 12p-1p (you may bring your own or leave for lunch) then 1:00 pm to 5:00pm shoot one-on-one with instructors on the range. Trap shooting will also be offered, weather permitting.

Bottled water, coffee and snacks will be provided.

You must attend both Wednesday evening and Saturday's morning class to be able to shoot on the range Saturday afternoon.

For Registration information or if you would like any other information,

Please contact: Teresa at [GM@Oakdalegunclub.org](mailto:GM@Oakdalegunclub.org) or 651-354-5544

## Range Ramblings

### Oakdale Gun Club Trap Shooters

Many of you know a trap training program has been developed enabling you to download a training program on your computer. The program shows how to set up the trap machines and either speaker system enabling you to shoot clay targets. This will take the place of meeting at the club for trap training. The program will have a ten question test at the end that once completed will qualify you to get your badges activated to open the trap houses and target shed.

This program will be available around the second week of April. From a phone call to Daryll Olson, he will send you the program to download. Once you have watched the entire program, call or email Daryll with your badge number, and he will have Patrick McNeil, OGC Safety and Security Director, activate your badge.

Trap training is required every three years.

Some of you may not have a computer. We will pick a Saturday in April to do a presentation in the club house to accommodate those who prefer not to use or do not have a computer.

Daryll Olson  
OGC Trap Director  
612-845-0382

### OGC Members are invited to Join the Airgun Matches

How many of you are concerned about sourcing ammo and/or components for a full summer of shooting? How many of you know that we have a nice airgun course right here at Oakdale Gun Club? We shoot a game called Airgun Field Target which is similar to archery field target. Our targets made of steel and are called "reactive" because when you make a good shot, the pellet passes thru a small hole and trips a mechanism causing the target to fall backwards. Believe me it's much more satisfying than punching holes in paper! And pellets are cheap and available! The best way to find out more info is to come to one of our matches. We shoot on the second Saturday of each month. Our first match this year is on April 10. The morning will probably be spent getting the course ready after the long winter but there will be some shooting in the afternoon. Come on out and see what it's all about! If you have a pellet gun (.177 or .22) bring it along. We're located east of the handgun range and we're looking forward to seeing you in April! Questions?

Contact John at 651-447-3160 or [john.ross510@yahoo.com](mailto:john.ross510@yahoo.com)  
John Ross  
MAFTA Airgun Program Director

### Three Position Rifle Matches

These matches develop proficiency in firing for score in the sitting, kneeling and standing positions. Any repeating rifle, rim fire or center fire qualifies for use. There are no requirements or limitations to equipment. Any sight, any action, any modification is allowed. The challenge is for the shooter to excel in these positions which is typically not dependent on equipment at the amateur level. The match is comprised of 50 rounds at 50 yards; 10 rounds slow and rapid fire sitting, 10 rounds slow fire kneeling, and 10 rounds slow and rapid fire standing. Low velocity jacket or cast bullet reloads are suggested for reduced cost and recoil. Score your own targets. Brag to your friends and family and vow to do better next match. Because this is an "any gun" match, there are no competitive classes. Rotate between different guns during the season if you wish. Matches are the first and third Wednesdays, April through September. Open practice at 5:00, match starts about 6:00 and last about an hour. Match fee is \$5. In the event of inclement weather (snow or heavy rain/thunderstorms) the match will be cancelled.

## Youth Director Update

Terry Derosier  
Youth@Oakdalegunclub.org  
(651)226-5316

# For The Youth! For The Future!

Youth and leadership training has gotten off to a great start this spring. In February and early March we had multiple trainings for new Firearms Safety Instructors. Officer Philip George conducted three trainings and we also held two additional OGC trainings to prep our new instructors for teaching FAS. Currently, I have 64 instructors on my email list. But only a third are active.

In March, our new FAS Instructor team lead three "on-line student" FAS courses in the classroom. These trainings culminated with seven outdoor field stations on Saturday March 27th. Russ & Jeanine Johannsen also lead a traditional FAS course in March.

**Joel Larson - FAS instructor with a group of new students discussing "Shoot Don't Shoot"**

Luckily we were able to dodge most of the rainy weather. The event concluded with 55 new students satisfactorily completing the training. Most parents and students were from the Metro or surrounding area, but one family traveled from Thief River Falls, MN - 5 ½ hours away. A few others were from the Duluth area. There is a severe deficit of FAS courses available in Minnesota. We have been thanked over and over again by parents and students for increasing the number of FAS courses at the club. Our goal is to double the number of FAS courses at OGC and we are already half-way there. More courses requires more volunteers. It's great to see the diversity of instructors that are stepping up to help train the youth, but we need more help. I invite others to step up to help the youth and meet new friends along the way.

**Suzanne Ridley FAS instructor and also a new OGC member, teaching a student the break action**

Originally I was not in-favor of the "on-line" version of FAS, but I have come to realize that there are too many students that need to get this certificate. They either want to be on a trap team or just go hunting with their folks. We have a 12 point training plan. Over the course of four hours, we are able to take students who have never handled a long gun exhibit excellent muzzle control, operate five different action types, five carries and respond to RSO line commands etc. A big "Thank You" to the 22 Certified FAS instructors that trained students at OGC in March.

**Tim Akins - FAS Instructor working with a student on a .22 Mossberg bolt with clip**

## Youth Director Update (cont.)

Terry Derosier  
Youth@Oakdalegunclub.org  
(651)226-5316

# For The Youth! For The Future!

The HS trap coaches have taken advantage of the pleasant spring weather and have gotten off to a good start too. We have six high school trap teams working out at OGC totaling almost 200 youth. It takes a team of coaches to work with these students and it continues to be a growing sport. If you have a moment stop at the trap range and watch these youth shoot - it's amazing! Our HS teams and head coaches are: Val Stickan-Stillwater, Chris Radeki - East Ridge, Andy Woessner -Hill Murray, Kathy Kohner -Tartan Craig Zupco - North St Paul, Rick Persinger -Hudson. I hear from the coaches and students that they really appreciate having a quality club like OGC to train at.

### Top State Trap Shooter

Lauren Kern, a Freshman on the Hudson Raiders trap team is Wisconsin's Top State trap shooter. She is also a nationally ranked shooter in Trap, Skeet, International Bunker Trap and Sporting Clays. She has been with the Hudson team since the 5th grade. She has incredible talent and a bright future as a potential JR Olympic candidate

**Lauren Kern - breaking the clay at tournament  
Notice the blue shell ejecting as well**

Lauren will also be competing in the Teams State Ranked Rifle and Pistol squad this year too.

**GO LAUREN!!!**

**Lauren Kern -Hudson Raiders  
Wisconsin's Top State Shooter receiving a patch  
from Head Coach Rick Persinger for her first 50  
straight target hits**

Coming up in April we have more firearms safety courses and also a new event this year called, "The Incredible .22 Cal Family Event." This event is for parents and youth to come together and shoot as a family. Bring a .22 rifle or pistol and your own ammo. Come on down to the range for incredible family fun shooting reactionary targets. Club target-rifles are also available to try. Hey, this is going to be better than the county fair shooting gallery! Open to members and the public. See the next page.

# **The Incredible .22 Cal Family Event**

**10 Lanes of Incredible Reactionary Targets**

**Incredible Saturday April 24th, 9am-12 noon**

**Competition Range**

**Come for some incredible OGC family fun!!**

**A chance to enjoy shooting sports as an incredible family.**

**10+ lane incredible shooting gallery with incredible**

**reactionary targets that make sounds or move when hit.**

**Limited to .22 rifle, pistol or pellet/BB gun.**

**Bring your own incredible firearm & ammo.**

**Incredible parent or guardian must accompany incredible**

**youth the whole time. Incredible RSOs will be on duty.**

**Club target rifles (incredible ) will also be available for use.**

**Bonfire and Hotdogs if incredible weather permits.**

**Free will offering to support future incredible youth and**

**family events.**

**Open to incredible Members and Non-members**

**Pre-registration not required. Just show up.**

Oakdale Gun Club - 10386 10th Street N Lake Elmo, MN 55042

**Mark your calendar for other incredible dates:  
Saturday, May 8th 9am-noon  
Friday, June 18th 5pm - 8pm**

Are you interested in volunteering to help with this incredible event? We could use a few more reactionary targets etc. You can also get hours for RSO duty. Please email Terry at Youth@oakdalegunclub.org.

Submit your AD by **April 23rd** to [Newsletter@oakdalegunclub.org](mailto:Newsletter@oakdalegunclub.org). Please include the word '**AD**' in subject line.. **Include your email address/phone # and full Name for contact information.** The ad will run 1 month and must be renewed each month. Include wording for each ad as you want it to appear. Attach **1 Lo-Res picture** as separate file. Multiple Pictures use is space dependent. Ads maybe reformatted to fit available space. Pictures will be resized and resolution reduced to minimize file size.. ~Thank you for advertising~

### OGC STORE IS OPEN

OGC Store is doing the best it can to provide ammo. Unfortunately, Magtech is working on allocations for all of their customers. We have to ration our sales to members. We will be getting more ammo but do not know how much or when. So you should not question the allocation you are given. We received a delivery on Thursday Jan 21 and are rationing them to be fair to all members. Thanks for understanding the problem.

OGC Store Management Inquiries to: Richard Sheffler at [rsheffler1@msn.com](mailto:rsheffler1@msn.com), 651-983-6171 CELL PHONE

**FOR SALE:**

Reduced pricing since March newsletter. Buyer must have valid permit to purchase or carry.

Mosin-Nagant Type 53 - 7.62x54R - \$380  
1955 manufacture date – Chinese. With sling - stock redone with a heavier lacquer after I cleaned it up and brass pinned the stock (note just below the cocking lug). Less than 50 rounds through from me.

AR15 CAR (16" #1Sales) - 223 Rem - \$680  
#1Sales 16" kit with DE Machinery lower. HBAR barrel 1 in 9 twist. Quad rail (NOT free floated – including original handguard), cheap UTG Red Dot with QD mount that allows lower third co-witness. Generic backup sights, Magpul pistol grip (including original grip), Magpul trigger guard, and Daniel Defense (I think knock off) forward vertical grip. Added front QD mount, butt pad and rail pads. Lower gas block installed to allow QD flashlight mount – cheap flashlight included. "A" sight removed and included. No mag. Four to five hundred rounds through the rifle.

AR15 (20" PSA) - 5.56mm - \$700  
20" Palmetto State Armory flattop kit with Anderson lower. Removable handle sight and a modified sling attachment (circa 1990's style – note the connection through the "A" front sight – per work college is pretty accurate to how they carried in the first Gulf war too) and sling. Front picatinny rail added at bottom and QD mound added to left side of stock. No mag. The handle sight is a cheaper one and is adjusted quite left to be on at 100yds. Less than 200 rounds through the rifle. Fun iron sight rifle.

**FOR SALE:**

ATI GSG StG44 - 22LR - \$500  
Several hundred rounds through new gun with three GSG magazines (no wooden "crate"). Reproduction appropriate sling. Fun plinker.

Mossberg 500 - 12 Gauge - \$140  
Rough re-blued 30" full choke barrel with factory slug barrel, side saddle, sling mount, sling and recoil pad. This model does NOT have the firing pin spring. Purchased used back in the 80's – my first bird gun. NOTE: name is engraved in receiver right side.

Crossman - .22 Caliber Pellet Pistol - \$80  
Crossman MARK 1 Target – 22 caliber pellet pistol. Have not fired since was inherited.

Smith&Wesson 915 - 9mm - \$280  
Law Enforcement trade in model (Marked LSY DEFENSE LOUISVILLE KY) – my old "truck gun". One 15 round mag. NOTE: Magazine safety has been disabled – I can supply parts if wish to re-enable – requires rear sight removal.

Buyer must have valid permit to purchase or carry.  
Tim Skoog Richfield MN – contact via [trskoog@gmail.com](mailto:trskoog@gmail.com)

**FOR SALE:**

**Call or Text Chuck at 651-600-3046 if you are interested in any of the following items.**

2 Tikka T3 223 Caliber 4 Round Factory New Magazines \$35 each or both for \$65

I have 2 almost impossible to find Thompson Center Classic or Benchmark 22 Rifle 5 Rnd Magazines brand new in the package. Asking \$75, which may sound outrageous, but check the internet and you'll see them used for much more! If you have this rifle you can't go wrong getting one or both of these now before they are no longer available anywhere!

5 Walther PPK 6 Rnd Magazines new in package, blue \$30 each. 1 Stainless steel \$35.

2 new, one in box, GSG 22 Caliber magazines. These fit the Sig Sauer and GSG Model 1911 22's.  
 \$25 each or both for \$45.

Sig P229 40SW 12 Rnd Magazines. 1 New in package, \$30, 5 used in like new condition, \$25 each.

Used Sig Sauer P229 Barrel in Excellent Condition, \$75 or make me an offer! If you have a P229 357 Sig or an old P229 40SW with a worn barrel, this would be a nice, drop in exchange to upgrade the guns capabilities.

**FOR SALE:**
